See the Twin Cities in Style on the METRO Streetcar

Opened Nov. 1, 2004, the METRO Streetcar is a fun, unique way to take in the downtown sights of central Arkansas' "twin cities." Operating three historic replica streetcars along a 3.4-mile route, the METRO Streetcar system spans the Arkansas River and links some of the most vibrant destinations in Pulaski County, including the Clinton Presidential Center and headquarters of the global nonprofit Heifer International; North Little Rock's historic Argenta district; the Little Rock River Market and Creative Corridor; and favorite restaurants, hotels, brewpubs, cultural attractions, shops and more.

Rent a METRO Streetcar

Take in Downtown Little Rock, the Arkansas River and North Little Rock's Argenta District aboard a METRO Streetcar private charter! Food, drinks and décor allowed. Seats 44 guests with a 50-guest capacity.

Sponsor the METRO Streetcar System

Roughly 100,000 tourists and locals ride the METRO Streetcar system each year, collecting ideas for how they will spend their discretionary dollars along the way. Reach this valuable audience by sponsoring the system. Several sponsor levels are available and offer different ways to promote your business while supporting this unique community attraction. Contact Becca Green, METRO director of public engagement, at 501-375-6717 Ext. 241 or bgreen@rrmetro.org, and thank you in advance for your support of public transit!
